

Navigating the AGYW Programming & Implementation Repository

*A Step By Step Process For Accessing
The Repository Documents*

Brief Introduction to the AGYW Repository

This repository includes **resources relevant to AGYW programming** that have been collated to support enhanced implementation and programming of Global Fund Catalytic funding for HIV prevention among AGYW in Eastern and Southern Africa.

The resources are housed on Google drive  which is accessible without a gmail account using the links provided on [slide 4](#).

A google sheets catalogue  (similar to an excel) has been developed that lists all the included documents with links to the relevant websites of origin for easy searching of available resources.

Google Sheet Catalogue - Searching

There are two options for searching the google sheets catalogue, as follows:

1. Click on **Ctrl + F** on your keyboard to search the spreadsheet using a key word i.e. "READY"

The screenshot shows a Google Sheet interface. At the top, the title is 'Catalogue of available documents'. Below the title bar is a menu bar with options: File, Edit, View, Insert, Format, Data, Tools, Add-ons, Help. A status bar indicates 'All changes saved in Drive'. The main area shows a spreadsheet with columns: ORGANIZATION / AUTHOR, TITLE, ABREVIATED NAME, DATE, COUNTRY / REGION / GLOBAL, DOC TYPE, FOLDER, and SUB CATEGORY. A search bar is open over the 'DOC TYPE' column, with a green arrow pointing to it labeled 'TYPE KEY WORD'. The search bar contains the text 'Find in sheet'. The first row of data is: WHO, Advocating for Change for Adolescents! A Practical Toolkit for Young People to Advocate for Improved Adolescent Health and Well-beina, 2018, Global, Implementation Tool, Advocacy, Adolescent Health and Wellbeing.
