# Our Work

Hi Voices is minorities youth led initiative working for YPLHIVs and vulnerable key populations. We are using innovative digital and social media strategies to reach unreachable young minorities across Pakistan. We are empowering YPLHIVs through leadership, education, advocacy, and development so they can raise their voices for health and rights.

1. Women Voices: Adolescent and young girls led reproductive health program
2. Young Positive People of Pakistan: Adolescent and Young KP HIV capacity building & awareness program
3. Human Rights & UPR
4. Youth Engagement in Global Fund process
5. YKP Success Stories Campaign
