

Youth Friendly Health Services in MOLDOVA

Ludmila Sirbu,
Programme Analyst on Youth, UNFPA Moldova

To be considered adolescent friendly, health services should be

- **Accessible**
Adolescents and young people **are able to obtain** the health services that are available.
- **Acceptable**
Adolescents and young people **are willing to obtain** the health services that are available.
- **Equitable**
All adolescents and youth, **not just selected groups**, are able to obtain the health services that are available.
- **Appropriate**
The right health services (i.e. **the ones they need**) are provided to them.
- **Effective**
The right health services are **provided in the right way** and make a positive contribution to their health.
